Rapid automatized naming and reading acquisition
Research and intervention experiences across the world

20 aprile 2023 | Ore 8:45
Aula Chiarugi, padiglione 26, via San Salvi 12

Programma

8:45 – Saluti istituzionali
Vanna Boffo
Direttrice Dipartimento Forlilpsi, Università di Firenze

9:15-10:00
What RAN Can Reveal about Reading
Peter de Jong
University of Amsterdam

10:00-10:45
Cascaded Processing in RAN and Reading Fluency: Insights from Chinese
George Georgiou
University of Alberta

10:45-11:30
Including RAN into an Architecture of Reading and other Learning Skills?
Pierluigi Zoccolotti
Università di Roma

11:30-11:45 – Break

11:45-12:30
Can Rapid Automatized Naming be used for Intervention Programs Targeting Reading Fluency?
Marjolaine Cohen
University of Geneve

12:30-13:15
RAN Cards for Word Reading Automation: Training to Promote Speed and Correctness
Daniela Traficante
Università Cattolica di Milano

13:15-14:30 – Lunch

14:30-15:15
Run the RAN: Tele-Intervening on RAN in Italian Children with Developmental Dyslexia
Chiara Pecini, Daniela Graziani, Andrea Frascari

15:15-15:30
Effect of Different Interventions on Rapid Automatized Naming (Ran):
A Systematic Literature Review and Meta-Analysis
Jonne Posti¹, Samuli Koponen¹, Jarkko Hautala², Riikka Helikkö³ & Jukka Mäkisalo³
¹University of Eastern Finland, ²Niilo Mäki Institute

15:30-16:30
Round Table. RAN-reading: future steps
Chairman: Daniela Brizzolara
Discussant: Jo Ziegler
University of Geneva

Max posti: 80, evento gratuito, necessaria iscrizione a: toscana@airipa.it
L'evento si terrà in lingua inglese con sintesi in Italiano
